

# SpaceSave FLIP n FLAT Folding Desk – Usage Guidelines

1

## What is in the Box?

One FLIP n FLAT Folding Desk, waiting for you to open it and enjoy it.

Note: The unit is delivered with protective plastic corner brackets for protection during transport. Please remove prior to installation

2

Take the desk out of the box and hold it with the front facing you. Now lift the top up while holding the desk upright.

3

Grab the one leg from underneath the top and slide it outwards.

4

Repeat with the other side. Lower the top so that the legs fit into the positioning holders. Your desk is ready to use.

5

To close the desk, gently lift the top of the desk slightly. Now slide the one leg underneath the desk.

6

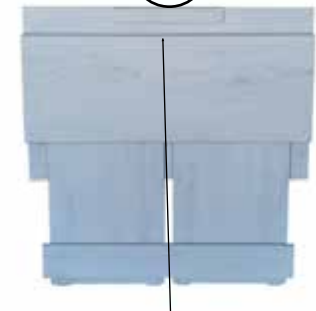

Repeat with the other leg, while holding the desk top steady.

7

Gently lower the top down against the legs.

8

Use the back support beam to carry the desk or move it around.
