

# SpaceSave Fold Up Wall Desk Combo 100x60cm Installation Instructions

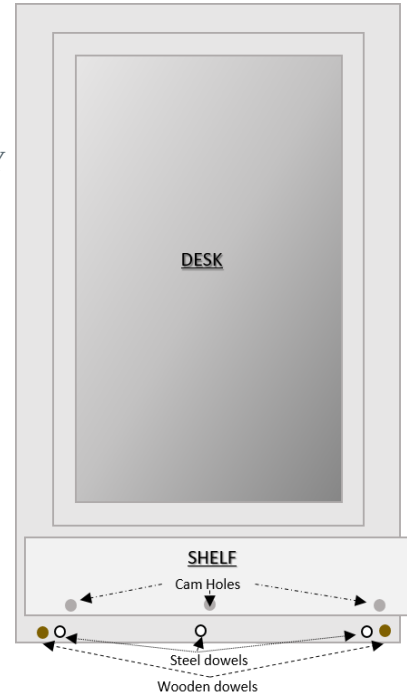

Congratulations on your purchase of the SpaceSave Fold-Up Wall Desk.  
We trust that you will enjoy it.

PLEASE NOTE THAT THE BLACKBOARD IS UNDERNEATH THE MIRROR. TO CONVERT FROM MIRROR TO BLACKBOARD, CAREFULLY TURN THE PLASTIC HOLDERS TO THE SIDE, STARTING AT THE TOP, AND LIFT THE MIRROR OUT.

## Content:

The box contains the following items:

1. 1 x Desk 100x60cm
2. 1 x Shelf
3. 3 x cams 
4. 3 x cam dowels 
5. 2 x wooden dowels 
6. 6 x 38 mm screws for the hinges
7. 2x 30mm screws for the latch
8. 8 x wall plugs
9. 1 x latch

## Instructions:

1. Remove protective packaging
2. Place the desk on a surface with the frame facing upwards.
3. Put the small shelf on the desk with holes facing upwards.
4. Insert cams into the holes on the shelf with the arrow on the cam facing the edge. 
5. Insert the wooden dowels in the two outer holes of the desk.
6. Screw the steel dowels into the other holes of the desk, applying pressure.
7. Turn the shelf on its head and insert the holes at the bottom of the shelf onto the dowels.
8. Use a screwdriver and turn the cams in a clockwise direction to tighten the shelf to the desk.
9. Turn the desk around so that the mirror faces downwards.
10. Open the frame/leg at a 90° angle and place the desk with the hinges facing upwards against the wall.
11. Use a leveller to ensure the top is straight.
12. Mark the holes in the hinges on the wall.
13. Drill holes into the wall and insert the wall plugs.
14. Now screw the hinges onto the wall.
15. Flip the desk up against the wall.
16. Take the latch, push the silver flap over the clip on the desk and mark the holes in the latch on the wall.
17. Drill holes into the wall, insert wall plugs and screw latch into the wall.
18. Secure the desk and voila your wall desk is ready to use.
19. Prime the blackboard before use. Chalkboards are porous, so if you don't prime them, you are at risk for your first drawing being there permanently. To prime your blackboard, lay a piece of chalk on its side and cover your entire board liberally with chalk. Rub it in with a dry rag and then erase.

NB: Mirrors are susceptible to vibrations. Please lower the desk gently when opening.
